### Upcoming events!!

**January 13th - Foster Cares Foundation** from 10am to 2pm at 115 Mansell Place, Roswell GA. Our club has offered to assist with the Prom-a-palooza. This organization had to cancel last year's event due to lack of volunteers, we believe our club can help them this year. Prom-a-Palooza is an annual event held at Foster Care Support that provides FREE prom dresses and accessories for teen girls in foster homes, group homes, and grands raising grands/relative care homes

throughout the entire state of Georgia! In lieu of a meeting and meal, we will discuss our future projects while we are working at Foster Care Foundation. <https://www.fostercares.org/>

Barbara Xhajanka suggested this nonprofit and they seem to have their hands full as they try to assist the homeless population in every aspect.

*Simple Needs mission is to meet the simple needs of children, people experiencing homelessness, and others in need, while inspiring our community to do the same.* While agencies

focused on these vulnerable populations are doing great work, most focus on the basic needs of food, clothing, shelter and job training. SNGA seeks to “fill in the gaps” by meeting other unmet, but important, needs. It is in these simple acts—bringing a tent to a person living in the woods, or providing birthday gifts to a homeless child—that we help connect people with the services that can improve their lives.

Let's place this on our ongoing Collection items: Candles, in particular, are one thing people experiencing homelessness need the most. They use them to see at night and to keep rodents away from their tents. I'll bet you have some candles in your house gathering dust! Please consider donating to our cause. Do you like to do after-Christmas shopping? Candles are often on sale at a great price! The best kind are pillar and tapered.

Keep your eyes peeled for a few gently used items or post this need in your neighborhood facebook or nextdoor neighbor. In March - I'd like to set a goal to collect 10 gently used tents, new pillows, tarps, backpack filled with new socks/underwear, candles, hygiene items.

Let's plan to volunteer with this nonprofit in March. Please reach out to me if you want to take the lead on this project.

Please review this website and let's put our heads together on what we can do - there are so many opportunities. <https://simpleneedsgablog.com/drives/>

## Nourish the Hungry. Feed the Soul.

The Sandwich Project (TSP) is a 501(c)(3) non-profit organization whose volunteers assemble and donate fresh, homemade sandwiches each week for immediate consumption to meet the food scarcity needs in Metro Atlanta. The Sandwich Project is a grassroots 501(c)(3) non-profit organization addressing food insecurity in metro Atlanta. The organization operates through a network of dedicated volunteers who come together to create and deliver fresh, homemade sandwiches to individuals facing food insecurity. They firmly believe in the transformative power of community, the compassion of kindness, and the fundamental right of every person to access nourishing food. <https://www.thesandwichproject.org/>

This is on our list for a February or March project. It will be held on a Tuesday night after work and we will deliver it on a Wednesday.
